I received an email from my friends with the title "How to Stop Send automated emails by SMS and by Email?" I knew the contents and therefore, I gave a quick reply. His name is Mitchell. I thought to work with a curious, why does he send messages to me? I was looking for his phone number. I looked at his email. I received a message "The mentioned subscriber is does not exist" Mitchell is a kind of good heart person who send text message by email. He told me he didn't want to communicate with me. What can I do if I would like to end this unpleasant experience? - Leave this message. - Write to send automatic SMS messages. ? - Make SMS out of email? I don't think so. - Call back. He doesn't talk on the phone. - Contact other friends. Thank you for the reply, Mitchell. I liked how the anime threw an historical/societal look at the early days of the Crowning Dynasty. I really like Crowning and both of its seasons. I enjoyed the anime and it's a very nice change of pace from what I've seen. I
